“ Mrs Flora Coleman or Aunt Flo as my family calls her, was one of the sweetest, most caring people I've ever met. I am married to her nephew, Garrett and she has been apart of my life for 30 years. She treated me like I was born into the family instead of married into it. She nurtured and loved my children as if they were her own instead of her great nieces and nephews but if you knew her, you know that was just how she was. She loved the children. Aunt Flo we love you and we will miss you but you are no longer in pain or suffering. You are resting in the hands of the Lord! Please keep our family lifted in prayer as we mourn the loss of our beautiful Aunt And please send special prayers up for my mother in law as she mourns the loss of the only sister she had left.
