“ MOMMA,. I miss you so much, it gets so hard to breathe at times thinking about you. Fighting back the tears now as I express the loving memories I have of you. I can hear you saying (Whatcha doing). When I answer the phone when you called. You are ever so present in my thoughts in this soul of planes. I guess it's time to watch a couple of videos of you smiling, dancing and singing. I love and miss you so much. 🥹🥹🥹🥹🥹🥹🥹🥹

“ To Tina and the family, I'm very sorry for the lost of your mom. I pray and I'm confident that our Lord and Savior will give you the Strength, Comfort, Courage, and Godly love needed to stand, to help each other through, to support and love each other. When I'm hurting and the pain is unbearable, I refocus my thoughts on the good times, the jokes, the fun times and the things that made me laugh, which I mastered after losing five siblings, which still isn't like losing a mom! But I wanted to share my coping mechanism. I love you guys.

“ *"Aunt Frankie"*
You will truly be missed. I love you and you will always be in my heart. The last time I saw you was at Stacy's wedding and that will be the memory of you I will hold in my heart. I will also miss singing with you in the choir and how you always encouraged me to come back to church.
