“ I would like to send my condolences to all of Freds family and friends. I have known Freak for a very long time since we only grew up a few houses apart. He was a very beautiful person and he will truly be missed by many. I had the privledge of seeing Freak on the fourth at a store before he passed later on that night, but it never crossed my mind that i would'nt see him again. We take for granted that things may come and go out of our lives instantly, even when we least expect it. May God be with all those who lost someone special to them, especially his parents, sibiling, wife and children. In loving memory of Fredrick
