“ *The Hollis family would like to express our deepest sympathies to the family of Ed Finch. Ed was a nice person, who always had something funny to say. He will be sadly missed. We will keep your family in our thoughts and prayers for we know all too well the pain of losing a family member. Our family recently lost 2 brothers within months of each other although it was a paralyzingly painful blow to our hearts, deep in our hearts we know that when God calls we must all answer one day. Stay strong family for it is your families strength that will sustain you. Trust in God for he will see you thru this. Rest In Peace Ed.*

“ *To the Finch family: I had the pleasure of meeting Ed when my family moved to Buena Vista in the early 70's. He was so full of life and fun to hang around. He was best friend to Kenneth. We had lots of fun, we laughed ofen, went to basketball games together and i will never forget the quarter parties that we attended together. Ed was always the life of the parties. Recently I lost my brother and I was sitting on my mother's front porch in tears. The unexpected death of my brother hit me like a ton of bricks. As I sat crying, I looked up and Ed was walking down the street and of course he stopped. He said his condolences and gave me a hug. He told me to cry if it made me feel better and everything with time will be healed. I was glad to see him. He made me feel much better. He sat with me for a while. We reminisced about the past and the fun we had. I truly believe that God sent him to me at that time to console my aching heart. I had just last week asked my brother about Ed. Rest in peace, Ed. I will miss your laughter. Trust in the Lord with all yur heart and lean not on your own understanding, in all your ways acknowledge him, and he will direct your paths.*
