“ What a great man! George was a very nice guy and was so soft spoken and easy going. He wanted to help everyone and was very good hearted. I don't know anyone that had a bad thing to say about him. I'm sure he was a great person to his family also, cause he sure was to friends. He will be missed. I worked around George for many years at the old Grey Iron. My condolences to the family.

“ Da Da I love you so much and I miss you very much. You and I both know that we weren't expecting you to go and I understand that you didn't want to go to the nursing home but it would've been the only way that you were going to get your strength back. I will always remember how you used to make us laugh and take us to the store after school. You know that you went home to be with the Lord the same day as Gerald Lervert right LOL. Well I guess I've go to go now and I also wanted to say thank you for listenng to me when I needed somebody to talk to. You were a very good advise giver. You always knew how to make me smile when I was mad or sad. Put a good word in for me and tell everybody up there in heaven I said hi. Give God and Jesus a big hug for me I love you very much.
