“ *Grandma Gloria, as she was affectionately known by the countless children whose lives she touched during her time as a Foster Grandparent will forever be missed. Gloria spent many hours on her own time making hats and scarves special for each student. She built wonderful relationships and went out of her way to positively impact so many students. Gloria, thank you so much for the time we were blessed to work with you and know you as an extremely loyal and dedicated mentor to our students. You will be terribly missed but know how lucky we were to have you in our lives.*

“Gloria was known as Grandma Gloria in the Primary Unit classroom, at Carrollton Elementary School. She spent several years working with first and second grade students. Her job was to give extra attention and to love the kids that needed a little extra love. She spent so much time after school making hats, scarves, and other crafty project so our students would have what they needed. It was a pleasure to have her in our classroom. I am so thankful that I had to honor to work with her and call her my friend. She will be missed by so many C.E.S. staff and students.

“ *I will miss the family gatherings where we would all meet up at Aunt Rose's to enjoy family and great food. I can't see you sit on the couch asleep after finishing your meal. You'd have your favorite lil' denim hat on, sleeping peacefully. I'm glad to have shared so many fun, loving time with you. Love you cousin! Rest peacefully in the Lords arms.*
