“ *My heart is saddened as I learned of the passing of Gussie. I have known Gussie my whole life. The last time I was in Saginaw, I was blessed to spend some time with her as she welcomed my daughter and I with open arms. I can still remember seeing Gussie, Lorine Koger and my mother (Mamie) having a "good ole time" talking at the fence as they worked in their gardens. We were all raised off those gardens. May God bless you all and please know that I am praying for you.*
