“ Harry you were an amazing father, grandfather and uncle. I remember you buying mopeds for all the grandkids and your great niece Winky had to have one. Every Sunday you would pick up every one of them and take them to McDonald's for burger's and fries. They loved to see that white van coming and Amber was absolutely ecstatic when you would toot your horn in front of our house and say come on out haaammmburger. We were so sad to get word of your passing. Rest In Paradise
