To the H. T Thompson Family'

I am deeply sorry to hear of your loss.

Words of sympathy has little or no solace during this poignant time in your life.

remembering H. T, from our school days, I am sure that his legacy of love will give you the strength and courage to contend with the void that he left in your life.

Please accept the condolences from your friends from Central Junior High School that you haven't seen in years. and when your are able join us for our annual high school luncheon at the Horizon the second Thursday of each month during the time frame of 11:00 to i:30 P for comfort from the Thompson's former class mates.

Olivia Hall Newsome shared the poignant news of your husband's death with me..

Death is a reality that no one can heal, but it can be circumvent through God's love because love is more than a quality.

Love is an action and we can find comfort by passing it on.

So when we see a kindness shown pass it on.

Tis wasn't meant for thee alone, so pass it on.

Let it reign from heaven above and saturate the earth with Godly love , so pass it on as a remembrance to our fallen colleague H. T.

Thompson who displayed kindness to other during his time with us.

God Bless you and your family during your loss.

Charles Atwater and your Central Junior and Saginaw High School classmates'.
