“ She's gone

You can share tears that she is gone, or you can smile because she has lived. DdYour heart can be empty because you can't see her , or you be full of the love you shared. You can tune your back on tomorrow and live yesterday, or you can be happy for tomorrow because of yesterday. You can remember her and only that she's gone, or you can cherish her memory and let it live on. You can cry and close your mind, the empty, and turn your back, or you can do what she'd want: smile , open your eyes, love and go on.

Love Always Cousin Joy
