“ *Merlene:*

I know that nothing can take the place of 1 parent but to lose both parents at the same time is quite overwhelming. But know that God knows better than we do and we sometimes do not understand his reasoning.

Keep your head up and know that the Lord is with you and your family at this time.

Bless the Lord and give him the praise for allowing your parents to love each other with the love that he has shown us and for loving you and your siblings.

I will continue to pray for your strength in the Lord.
