“ I remember my Aunt Hazel, although we all called her " Hazel" as a friendly, happy person. My sister's and I spent alot of time with her growing up. The one memory I have that as I got older I teased her about was when my mom was in the hospital and we stayed with her she picked me up from school and I had went home instead of being where she told me to be and she was so upset with me, but by the time we had gotten to her house it was as though it never happened. I rmemeber her giving me my first hair cut and I looked so cute I thought. She will be truely missed. I'll always love you Hazel rest in peace. Your Niece Cheryl Fentress-Nash

My memories of Hazel are so many to share from teaching me to ride my bike, taking me bowling, taking me to vacation bible school. My fondest memory was last year on my birthday she called to sing Happy Birthday to me. That was the best Birthday ever in a very long time. Love Forever

My prayers and thoughts are with you and your family during this time of loss to your family. Remember, your love one is resting in the arms of our Dear Savior, never to worry about these old earthly cares that we are left with. Treasure the beautiful memories, that beautiful smile she always had for everyone, even in her pain and suffering, she smiled! May God give you peace and comfort as you go through these long days and nights. In time, healing will come to your hearts! Weeping endureth for a night, but hold on, because joy will surely come in the morning light! May God bless you all!*
