“ I was devastated, overwhelmed & undescribably saddened at the sudden loss of one of my very good friends. I will miss her smile & the way she could say something to brighten your day just when you thought it was going to be one of those days. Hazel had a positive energy that just lit up a room, there was nothing negative about Ms. Hazel. I wonder if she knew how many lives she touched with that positive energy she exuded. Her personality was as beautiful as the Roses she photographed. I am proud to be on of the owners of some of her photography. Some people never get a chance to enjoy their Roses while on this earth. Hazel gave me that chance, I will always love her for it. I will miss her pearls of wisdom & common sense. To her family, Hold on tight to each other & your faith for it is within your family & faith you will find your strength. Hazel loved each & every one of you. We often discussed our daughters. Hazel My Friend & Confidant, you are in Jehovah's kingdom now. May you Rest In Peace my friend. You will forever be in my heart. Love Nora

“ Hazel was my friend and I loved her. She was such a beautiful person inside and out - although I could never quite get her to believe that. She was kind, consider, compassionate, accepting, understanding, loving and was just such a special, special person. I'm going to miss her forever. Good-bye my friend.
