“ *To: Brian, Nicole and Gene*

I am so sadden to hear that your mother has gone on to be with our Savior. She looked so happy the last day I saw her with you Nicole. Their will be no questions for Hazel , the Gates of Heaven will be wide open, for she was a servant of the Lord.

And all wept, and bewailed her: but he said, Weep not; she is not dead, 'but sleepeth.

“ To Brian, Nicole and Gene.....I don?t know what to say that will make any of this feel better, my words will not heal your broken heart, but know that God can heal it, if you give Him all the pieces. Know that I love you guys and that I am praying for strength for you right now.....

Life Does Not End Here.....

*You passed from this life,
On angel wings that unfold,
You?ve moved to the kingdom,
Of years past, untold.....*

*The day that you left us,
You felt, no great pain,
Endless tears that were shed,
Were of love, not in vain.....*

*In hearts deeply you?re missed,
Indeed a great deal.
Ever thought of so much,
Time alone now can heal.....*

*Some where up in Heaven,
For certain you?ll be,
You?ve gone to meet Jesus,
Yet to pray for me.....*

You will always be love and missed Hazel.....
