“ *Mrs Helen(grandma Helen), is the great great grandmother of my grandkids. She had the pleasure of spending time and visiting with five of them. The smile on her face talking to them and taking pictures was a joy for them both. We are going to miss you dearly. Prayers to the family far and near.*

“ *Our family is deeply sadden about the passing of Sister Steele. She was our Mother's best friend. They would talk for hours on the phone every night. She attended our mother's funeral and set with the family, because she was family to us.*
