“ *Henry ("Big Henry") was so sweet. I've known that man since I was a little girl. And he always had something nice to say to me. Even as an adult I crossed paths frequently with him and he was still caring and wanted to know what was going on with my family and I. "Big Henry" will always have a place in my heart and I pray that his family will know that god never does anything without a reason. My prayers are with you in this time of bereavement.*

On behalf of the New Mt. Calvary Bapt. Church Welcome Ministry, I would like to extend our heartfelt sympathy to you and your family in the loss of Deacon Pritchett. He has always had a big smile and a warm heart towards anyone he met. He will be sadly missed and I must say that I am personally going to miss him. He always addressed me as "Sister" and he made me feel like I was his sister. Linda, I know that there is an empty void but God will fill that void for you. May our father in heaven give you strength. We love you and are praying for you.

“ To God be the glory we Thank and Praise him in advance for all he has done. When my brother Delbert told me of Henry's passing I was a little shaken,because you think people you grow up with are always suppose to be right where you leave them,even though it has been a several years sense I have seen or spoke to Henry, just to think of him bring's a big smile to your face. Henry, and his brother James ,were great friends to us, we all grew up together. Henry was always a Great Person,kind hearted and always could make you laugh! I'm not suprised in reading all these wonderful things about him, I Thank God and his family for allowing us to share him with you all,although are hearts maybe heavy we can take confort in knowing he has replaced this hat with a stary crown, (kicked to the side) spreading smiles and laughter all over "Heaven".My prayes are with you all.
Henry may be gone but his "big Smile" will always be remembered.

God Bless You,

“ I was so sorry to here that Henry passed. I have only known him for about three years but he always impressed me as the type of person who was always the same, always happy and fiendly. He was VERY well liked by all who knew him. I am going to miss him every time I walk into Flint metal fab.
The world could use alot more people like Henry.
