“ I would like to thank you all for sharing your precious grandmother with the family's and friends of the Southside of town. She was a very beautiful and caring lady. But as we know she was getting tired so she took her wings and went to be in a better place where there is no sickness, no sorrow, no pain. She closed her eyes and took Angeles hands and got on that train and rode on out of here to that glorious place known as Heaven
Farewell Ms. Idabell until we meet again
