“ I just learned today about Mrs. Malone's passing. Our family lived 4 houses to their south on 28th street (The Hearin's; Barbara, Geoff, Chris and our Grandmother Helen (Mimi) and little dog Chichi) back in the 1960's early 70's. We pretty much lost touch over all these years and I often wondered what happened to the Malones? I have a lot of good memories playing with the boys on those endless Summer days while interacting with Mr. and Mrs. Malone as they always kept a close eye on all of us. Seemed like Mrs. Malone always had a cold drink for each of us on those hot afternoons. This was such a kind family with so much respect for everyone. Time passed as it always does and we later lost both our Mother and Grandmother in the mid 80's so I know It's hard to say goodbye to those we love. My comfort has always been that God is always with each of us. He is love, and our loved ones are safe, happy and alive while waiting for us on the other side. My heart goes out to you all in your time of sadness. Many blessings.. The Hearin's

“ I just discovered today about Mrs. Malone's departure. First, to the family, you have my sincere condolences. Second, Rs. Malone left a wonderful legacy with many of her former students and colleagues. She was one of the finest educators I've had the privilege to work with. She will be missed by us all.

“ On the behalf of Mary K. Jackson-Brown (aka Kathy) and family we send our prayers and love to the Malone regarding the passing of beloved Aunt and Great-Aunt Mae. Aunt Mae was my grandfather's baby sister whom he was very fond of.

My favorite memory is my family trip to Saginaw Michigan to meet my great-grand mother Ida Mae Jackson whom was living in the care of my Aunt Mae. My sister and I got the opportunity to go to summer school with Aunt Mae where she taught school. We were her best assistants that day! We were so proud to be there and just to be apart of her world. We couldn't wait to get back home to tell our her big brother how much fun we had with his baby sister and most of all his mother.

My mother and Aunt Mae talked often before she passed and my sisters and I continued to follow up with Aunt Mae just like our mother did to keep her in the loop on how her family was doing in California. She was such a joy to talk to and to be with. I'll cherish those moments always.

Uncle Henry and Kurt your Brown family loves you dearly.

Love Always your niece and cousin,
