“ To Jerome and family = I am sorry your mother passed away. No words can express how you feel. Just know that as time goes by it does get easier. My parents passed away 14 years ago (mother) and Dad will be ten years in June. I remember the good things and how much I miss them, but they are in a better place. Tour mom and dad too, no more pain, no more hearache. They are waiting for you and your sister one day. Just know that God called your mothter home - He whispered in her ear, "Ida, it's me, come on home with me." It was an offer she couldn't refuse. I love you guys. A lady from my church had passed away and her funeral was the same day and time. Otherwise I would have been there. May God keep you always.
