“ I Remember a JD Jernigan from Handley Elementary School in the Years around 1948 to 1952. I remembered JD as being on crutches, as many of us were handicapped in various ways. Polio took a big toll on kids back in those years. JD was always fun as I remember. Many fond memories. When we played Kick Ball during recess, JD played right along with the rest of us and used the crutches to smack the balls. He was a tough competitor. Great memories.

My sympathies to his family and may the Lord ease your sorrows.
