“*Jacquelin was the best sister-in-law ever. She was always there for everyone no matter what. I remember when our basement flooded, she was right there lending a hand to help us clean it up. She was the best cook (her standing Rib roast) was Earl's favorite. You never had to ask Jackie anything, she was always ready and right on time. I knew Jackie growing up, never dreamed we would be sister-in-laws. I remember the last time I saw her, not knowing that would be the last time. GOD is good he only takes the best ones and now he has Jackie, who is one of the best, always putting everyone before herself.*

“ I recall meeting Jackie for the first time when I came to Saginaw to represent the Louisiana Lockhart’ at her wedding ceremony to my brother. During the week leading up to the wedding, I remember thinking (not through her words but her actions) how energetic, giving and compassionate she was. Jackie was a person who tireless gave of her time and of herself to assist others. Jackie, rest and receive all the comfort and blessings you have earned from your Heavenly Father. We will miss you but you have imprinted our hearts by knowing you.

“ I will always remember Jackie for being a person that told it like it was, you never had to second guess how she felt about you because she let you know.. She was funny and supportive and a great cook. She would hold conversations for hours on the smallest subject. She will be missed. To Je'nise, Brandan, Sydney, and Jordan may you inherit her spirit, and her courage, her laughter and joy. She will continue to live on through you. Love you all, Ebonie
