“ I want to first send my condolences to the family, I share in your loss....Minister Jacqueline Essex has been nothing but good to me every since I first met her. Shortly thereafter, I asked her if I could call her mother and she said yes, since that day she's been Mother Jackie. My mother was a prayer warrior, tearing stuff up in the spirit....Even in all of her pain and suffering, she would take the time out to pray for others in their time of needs. I love/miss her and I will always be thankful for the love and support she has shown my wife and I....
