“ *My family want to send are condolences to Aunt Malena, Gail and the Calhoun family. Me and my family were very sad to hear about uncle Jimmie passing. I always known him to be a very sweet and kind person. My family have been around this family about 38 years, therefore this is also considered are family as well. Aunt Malina and her family has the heart of gold. They loved Uncle James with all there ❤️. There family had a bond that was very strong, which the love they had couldn't be broken. I always loved being around this family when we were growing up. I remember all the love this family had for one another. We know you all loved Uncle Jimmie, but the love God had for him was more. He has now gained his “Wings,” flying high with that beautiful smile on his face. Just remember family, he know you loved him and he loved you, but now he is in a better place. We will always keep you all in prayers and be there for you. The Slade family, loves the Calhoun family. God will bless you all and give all of you the strength, courage to get through this rough time, because he knows best. GOD BLESS!*

Love Edith, Christy, Daniell and Latrice Slade
