“ I am so sorry to hear about the passing of James. I coached James for 6 years in Semi Pro Football. 4 years with the Livingston County All Stars and 2 years with the Flint Falcons. James was a one of the best athletes I ever had the privilege to coach. He was like a coach on the field always making sure players were lined up right on our defense. James was not only a great playmaker on the field. He was a great guy off the field. I met James in the spring of 1992 and remained friends with him all this time... James Will be missed but never forgotten..... RIP my friend. Until we meet again....
