“ *Kathy, what a privilege and an honor you experienced giving back to your dad for the past seven years. It was so awesome the way you opened your doors and your heart to your dad. I've watched you turn your home into a place your parents could call their home. You've given up a lot, You sacrificed much, and I'm sure cried many tears.*

Well Kid, you've run an awesome race. You finished course, and you win first place... Well done you good and faithful daughter...

Love ya, your sister-friend Nita...
