“ TO THE FAMILY OF:
James A. "Tip" Stevenson

Look upon each day that comes as a challenge, as a test of courage. The pain will come in waves, some days worse than others. Accept the pain, do not suppress it. NEVER attempt to hide grief from yourself.

Little by little just as the deaf, the blind, and the handicapped develop with time, an extra sense to balance disability. The bereaved, the widowed, the family will find new strength, new vision born of the very pain and loneliness which seem at first, impossible to master.

Know that God is with you and will comfort and carry you through this tough time in your lives. Just know that God is near and is by your side. Amen.
