“ *We are feeling the pain as well as the hurt of losing West. We never understand why things happen the way they do. We were bless to have met West for all the years he has been in our life. We had some fun time together. He will forever be in our hearts. Sitting under the tree for all those years, pulling out that small pocket knife talking about he go cut someone, and knowing he would never hurt anyone. We love West and we are praying with the family for comfort. Love Bill & Sudder & children*
