“ I met Temeka and her kids when she was at the underground railroad with my twins Taylor and Xavier. We also moved next door to each other on Burrows St and I was so surprised when I saw Pear's name on here because there is only one "Japeriay" in the whole worldLOL....I am so sorry for the loss and I will keep you in my prayers. Be blessed.

“ So many times we will miss you,so many times we will cry. If love alone could have kept you here, you never would have died. In life we loved you dearly, in death we will love you still. In our hearts you will hold a special place, no one else can ever fill. It broke our hearts to let you go, but you didn't go alone, our hearts were all with you.

Your lovin cousins Angie (pig) Wingo & Family.

“ *Am Always With You*

*When I am gone, release me, let me go.
I have so many things to see and do,
You mustn't tie yourself to me with too many tears,
But be thankful we had so many good years.
I gave you my love, and you can only guess
How much you've given me in happiness.
I thank you for the love that you have shown,
But now it is time I traveled on alone.
So grieve for me a while, if grieve you must
Then let your grief be comforted by trust
That it is only for a while that we must part,
So treasure the memories within your heart.
I won't be far away for life goes on.
And if you need me, call and I will come.
Though you can't see or touch me, I will be near
And if you listen with your heart, you'll hear
All my love around you soft and clear
And then, when you come this way alone,
I'll greet you with a smile and a "Welcome Home".*

“ I am very sorry of the lost of your loved one. I recieve a phone call from Carrie Campbell (peeweess sister) Monday night at 8 :00 pm with the bad news. My grandma Inez Hoover (peeweess mother) called Carrie Campbell. Then Carrie called me and told me. Then when my mother called from work I told her the sad news. She was a dear cousin to me. I will miss her laugh and smile and of course her love that she gave everyone not only her family but also her friends. I know the mother will miss her very dearly and so will peewee. I know i will because she was a good person and she is the sister of my little cousin Jehoun. I will see u and the rest of the family at the funeral. So see u all then, and I love u all dearly.
