“ *Jered was the funniest guy we ever met. I'll never forget I came over for Precious and he told so many jokes to us about our dancing.*

I'll miss him so much.

Precious, if you need anything from my family, you know I will be there for you no matter what.

*Love,

“ To Hotdog, Andre, Demetrius & Ms. Vera we were startled and very sad to hear of Jared's passing. We've known these young men since we lived on Sanford & you lived on 14th. These are times when family & friends are very important. Hold on to each other for strength. You now have to take Jared's place and be uncles to his children. May God Bless your family with the understanding that no one can question the Lord's work. Just know that Jared is looking down on his family & children. Ms. Vera I don't know how or what to say as I've never lost a child but I do know that God makes no mistakes, Jared will be in our memories & hearts forever especially my younger brother Pete. May God shower your family with all of his blessings. Love The Hollis Family.
