“ Aww Jerrell this is unbelievable. I've known you since I was 10 and we've shared so many memories. Praying for your family and friends. You were a person who was always available to talk anytime I needed you. We would go a year without speaking and would talk again like nothing has changed. Your smile and laugh was priceless. You had a warm heart. You will truly be missed. You are with the lord now. May all those who loved you have peace in knowing that.

Well you did. We been knowing each since childhood. We came to get closer as adults. We fussed much and loved each other and helped each other. I was not prepared for the news of losing you. Not prepared to not be able to fuss with you again or we share advice....going to miss our friendship so much. We were in a good place with each otherI know we'll be ok.....but I'm sad for now....I Love you Jerrell Rider always have and always will.*
