“ RIP Throwback! Sending my love and condolences to your family and loved ones. I am so sad to hear about your passing. I remember the first time I met you in Atlanta way back in 2012. You've always been so nice and did whatever you could to help someone. I will always remember the time you came and stayed with us. You couldn't wait til I got out of work to make dinner. You would be the first one ready to eat. I will always remember that smile you always had on your face. Rest in Heaven Jermaine!

“ *My dawg, my buddy, my Cancer brother, my friend for real. I write this with a heavy, heavy heart. Throughout our separate life journeys, we always managed to stay connected no matter how far apart, how much time had passed or what life's circumstances were. I'm surely going to miss you and I will always remember you. Thank you for being my friend.*

To the Houston and Mathis families, I pray that you all find comfort in knowing how much Jermaine was loved and in the memories shared with him during this time.
