“ Words can't really explain. Don't feel real but I know I will miss him but still be in my heart. He wasn't just a person at Arthur Hil , he was a role model, friend and more. I remember the days sitting and talking to him. One thing i do know is he was a man that believed in the kids. Which I am one, who he believed in and that I would be successful. Could see him now saying "yes Twin you can do it and you will be fine". That will be something that I will remember to keep me going. But my heart and prayers goes out to the family. He will be miss, wish I could see him one more time.

“ To Lois, Alicia, Christopher and all the Scott family. I was in shock to hear about Jerome. I have known him most of his life. He had a kind gentile spirit. The Norman family loves all of you and grieves with you. May you find strength knowing that you have friends to lean on. Joy shared is double joy, sorrow shared is half the sorrow. “ To the family of my brother from another mother. Jerome meant so much to me he was there for me so many times I need some one. Jerome is a friend, brother, uncle, and father to many. Scott had a heart bigger then the sun he shine brighter then the sun. Scotty did what the Bible said for us to do and that's love one another. I miss you so much already my brother. But to the family I'm here for you. I love you all so much!!! We will get through this, its not going to be easy. But with the help of the Lord we can make it stay strong and don't give up because Scotty didn't believe in giving up on anything.

He had such patience, I know that was from God, just being able to deal with the generation of today. Officer Scott was a mentor. I could never thank him enough for how he would keep my son on the right track, whether it was on the football field or in the hallways. I salute a great mentor. To the family of Jerome, I am so sorry for your loss. He was the most kindest guy you could meet. Jerome and I worked at the Post Office together which is where we became friends, then years later I ran into him at AHHS where my daughter was a student and he kept watch over her for me. As a coach you gave me confidence and skill to run like the wind with the ball. On the track you reminded me that it was always a race between me and the clock. As a father figure you taught me how hard work, determination, and Dedication could move many opstacles no matter my height or color. But as a friend you taught me how to help and love others, especially those less then fortunate then myself. So, I can't say goodbye, but see you later in heaven. “ *The Lord is my light and my salvation; whom shall I fear? the Lord is the strength of my life; of whom shall I be afraid? When the wicked, even mine enemies and my foes, came upon me to eat up my flesh, they stumbled and fell.*

Though an host should encamp against me, my heart shall not fear: though war should rise against me, in this will I be confident.

One thing have I desired of the Lord, that will I seek after; that I may dwell in the house of the Lord all the days of my life, to behold the beauty of the Lord, and to enquire in his temple. For in the time of trouble he shall hide me in his pavilion: in the secret of his tabernacle shall he hide me; he shall set me up upon a rock.

And now shall mine head be lifted up above mine enemies round about me: therefore will I offer in his tabernacle sacrifices of joy; I will sing, yea, I will sing praises unto the Lord. Hear, O Lord, when I cry with my voice: have mercy also upon me, and answer me. When thou saidst, Seek ye my face; my heart said unto thee, Thy face, Lord, will I seek. Hide not thy face far from me; put not thy servant away in anger: thou hast been my help; leave me not, neither forsake me, O God of my salvation. When my father and my mother forsake me, then the Lord will take me up. Teach me thy way, O Lord, and lead me in a plain path, because of mine enemies. Deliver me not over unto the will of mine enemies: for false witnesses are risen up against me, and such as breathe out cruelty. I had fainted, unless I had believed to see the goodness of the Lord in the land of the living.

Wait on the Lord: be of good courage, and he shall strengthen thine heart: wait, I say, on the Lord. Psalm 27

“ My heart continues to break in a million pieces. Jerome is my son-in-law. I loved him dearly. I could never have picked a better mate for my daughter. Their love was/is so deep and committed. Life will have a huge hole in it for years to come. I pray, and continue to request your prayers, for my daughter and their children. A love like his for life, family and kids is few and far between. It is an honor and privilege to have known him and call him 'family'. We all feel empty and helpless.... but we are family and we will do our best to honor his legacy and love. He has changed form but will always be with us in all-ways. Love you Jerome, love you Christy, love you kids!!

Family is everything!!! the last time I saw you was 2012 at A.H.H.S. graduation, I sneaked up behind you and 'jumped a police officer', we laughed and almost cried,because we had not seen one another in over 20 plus years; even though you are my brother's god brother, you loved all of us with open arms. I was SO PROUD to watch you play football in high school and college. You will be missed dearly... I know you will be watching over us

“ What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.

You were an amazing man...a Father, a mentor, a friend. You will be missed.

“ *The entire family at Arthur Hill has truly lost a special soul, if it was in his duties as a security guard, a mentor, a friend, or a football coach he was always putting others before himself. As a football parent, thank you Coach for treating our boys like they were your own children, protecting them and leading them in the right direction. You took a bunch of boys and taught them how to be a family, and you led that family with your strength, love and determination. As a friend, your presence will be greatly missed for years to come. Thank you Coach, you have truly earned your wings and although you are no longer here with us, we know that you will always "have our backs". We love you Coach!*

“ I known him as Officer Scott, as one in many did. He was the man that helped me make it through the hill since i was a carrollton kid placed there. He was always so friendly, always smiling. He was the go to man when i needed someone to talk to or just to sneak out of class because i was upset. You will always be in our heart. I know for a fact you touched mine. Rest in heaven Jerome. “ Jerome and I went Carrollton schools together and were part of the very close class of 83. We had a lot of great times and memories. I remember how he liked to laugh and was always in a good mood. Through the years when we would see each other and have a good embrace and smile. Even though we did not see each other much, I considered him a special friend . May God bless him and his family

“ There are truly no words that I can express that can fill the void left by my cousin Jerome's passing. He was a man of great character and love. We can all take a lesson from his life and legacy in that we must live out our passion. Jerome touched many lives on this journey, and I pray that his sudden passing will cause someone to come into relationship with Christ. I pray that families will be restored, and dreams will be lived out. I will miss my cousin, his smiles, and his big bear hugs. He is gone from our presence but never from our hearts.
