“ To my dearest sister Kesha, I know there are no words to completely comfort you, but there is one person that will comfort you, "Blessed are those who mourn for they shall be comforted" Matthew5:4. I know at this time it is not easy at all you were so very close to your dad. Just take it one day at a time, one step at a time. Remember God loves you, I love, take care, be strong, you and all of your families are in my prayers.

“ Always keep your faith in God and he will indeed carry you through. For the father, son & holy spirit is almighty. God has been good to us and he granted the opportunity for you/we/ us/ all to have known such a gracious and caring human being such as "Spot". Loved ones are gone, but never forgotten. God bless you all. Know and keep the faith, that you will see him again through Jesus Christ. Let his work be done. Amen.

“ Although my time with him was brief and in my youth, I do have memories of him. My father (Charles Jones, Jr.) made sure that I knew all of my family. I am truly saddened by his passing.
