“ Vera, I am really sad to hear about your loss, although I never met your mother and only met you once, I know that this is a very painful time for you and your family please know that my heart goes out to you all and my prayers the same. I know there isn't much that one can say to comfort you at a time like this but rejoice with fond memories of your mother and seek comfort in knowing she is in a much more beautiful & better place, may your hearts ease with each passing day.
