Eventhough you aint here with me like you suposed to be, I can be happy that you in a better place now, and you better make sure save me a spot. You was one of my closet friends, we was like brothers, we stayed having fun like remember when me, you and Cam was at my house and you started dancing then you messed around and hit yo head on the table. “ BRO I STILL CAN'T BELIEVE YOU ARE GONE. THIS IS LIKE A NIGHTMARE COME TRUE. I HONESTLY HAD TO WATCH THE NEWS FIVE OR SIX TIMES BECAUSE I WAS HOPING THERE HAD TO BE SOME KIND OF MISTAKE THE RUMORS OF YOU LEAVING ME JUST COULDN'T BE TRUE. MY DAYS AND NIGHTS ARE MUCH LONGER NOW CAUSE I CAN'T SLEEP KNOWING THAT YOU AREN'T HERE WITH YOUR FAMILY AND FRIENDS WHERE YOU ARE SUPPOSED TO BE. I REMEMBER WHEN YOU AND KAMILLE WERE TOGETHER AND WE WOULD TALK EVERYDAY AND TELL EACH OTHER ABOUT OUR PROBLEMS. WHEN YOU LEFT YOU TOOK SO MANY SECRETS OF MINE WITH YOU. MY DAUGHTER (YOUR GODDAUGHTER) WILL MISS YOU JUST AS MUCH AS WE ALL WILL EVEN THOUGH SHE IS NOT NEARLY OLD ENOUGH TO UNDERSTAND WHAT IS GOING ON RIGHT NOW. I REMEMBER JUST A COUPLE DAYS AGO YOU AND YOUR GIRLFRIEND SEAIRA WERE AT THE MALL TOGETHER AND THATS WHEN YOU INTRODUCED HER TO YOUR GODDAUGHTER AND EVERYTIME I SAW YOU AND I WAS WITHOUT MY BABY YOU WOULD ALWAYS ASK ABOUT HER. I WISH YOU COULDVE BEEN ABLE TO CREATE A LIFE MUCH LIKE YOU BEFORE YOU LEFT BECAUSE I KNOW YOU WOULD HAVE BEEN THE PERFECT FATHER. YOU HAVE PLAYED A GREAT ROLE TO EVERYONE. YOU WERE A GREAT FRIEND BROTHER GODFATHER SON AND EVERYTHING ELSE. I EXPRESS MY DEEPEST SYMPATHY TO YOUR MOTHER BECAUSE I KNOW IT HAS TO BE HARD TO LOSE SUCH A WONDERFUL AND SPECIAL PERSON. I REMEMBER WHEN YOU TOLD ME HOW MUCH YOU LOVED YOUR MOTHER AND HOW YOU WOULD GIVE HER THE WORLD IF YOU COULD. WELL LET ME TELL YOU SOMETHING YOU GAVE HER MORE THAN THE WORLD THE DAY YOU WERE BORN FROM YOUR FIRST BREATH TILL YOUR LAST YOU MEANT SO MUCH TO EVERYONE. I KNOW YOU ARE IN THE HANDS OF THE LORD. SO ALL I HAVE TO SAY NOW IS SAVE A SPOT FOR ME

LIFE AINT ALWAYS WHAT IT SEEMS TO BE

WORDS CANT EXPRESS WHAT YOU MEAN TO ME

“ Its hurts to say goodbye to someone you been with since day one. To say goodbye to a brother you haven't seen in awhile is very hurtful. Shocking is what it seems like how could a person take away a child from his parents? Well at last i can say see you when i get there.

Well I'm Just Sittin Here Thinkin Bout You. I Had To Express My Feelings Again Cause I Still Can't Believe You're Gone But I Know Now That You Are My Shining Star. It Makes Me Feel So Much Better Now Cause I Know That You Are In The Hands Of The Lord. And I Know You Betta Be Watching Over Ya Lil Sis Keeping Me Safe.(lol) Montrell Is Doing Better I Guess Cause It Has Been Really Hard For Him, Paul,Wali, and Jacob To Cope With You Being Gone. It's Been Really Hard For Kamille Too So I'm Trying To Be Strong But Still Find Myself Up Late Nights Thinking A bout You And Praying For Your Family And Also Trying To Understand How Could This Be That You're Not Here With Me. I Don't Know But For Me It Gets Harder And Harder Each Day. But Just When I Start To Break Down I Can Hear You Above My Head Telling Me To Just Be Strong. You Help Me To Understand That You Are Now In A Better Place And Away From This Cruel Harsh And Unforgiving World. Saginaw Is A Town Of Cruelty And Violence. Its Hurting Us All So Much Because You Are Now Deceased But The Point we Fail To Realize Is That You Are Now Resting In Peace.I'll Forever Love You jimalhe Leon Donald!!! While my heart is heavy at his departing, I am, and will be forever thankful that I was privileged to know Jimahle during the time he spent among us.

“ Jimahle.L.Donald was a close friend/ Big Brother of mine. I just met Jimahle this school year but we became so close almost like brother and sister. he used to called me and my friend his sister-law. when i find out that he died i said to myself that wasn't Jimahle that i know. I just saw Jimahle after school that day and now he gone. I love Jimahle so much. i just can't believe that he is gone. Jimahle and I used to bug out at lunch time about stupid stuff and Jimahle would always have a smile on his face no matter what. I just wish Jimahle was here been happy and smile like he always was. i cried so much when i knew it was true but im still tryin to believe that my big brother/close friend Jimahle is gone. I love u Jimahle and u will always be in my heart and i will never forget u. Love u Jimahle. Ur Close friend/Sister-law Chanice.

“ Damn Mel it's hard to think about you being gone everyday. For some reason i cant get it out of my head. When ROB first said that you were gone i couldnt listen. I kept hoping they were wrong and it was someone else. Why someone would want you dead is beyond everyones thoughts. You were too cool with everybody. The most you ever did was make a joke or two. I heard alot of stuff that supposedly lead up to your death, but i know better than to listen to that. You remember when we had the party at Pooh house and you were dancing with her. You always had a joke about that. And that day when me, u, and Paul went up to the park at webber cause humpty and aaron was being hot. we stayed up there all day talking about your girlfriend.

I really miss u man, and i'll never forget u. I love bro, stay real

“ Jimahle, Upon meeting you at Webber Middle you struck me as such a talented young man. You showed yourself to be a strong willed, focused person. You were silly, but yet serious. Your personality grew on people and it taught others alot. I remember you calling me mom when you came to my house, or when you came in to the store you made sure you stopped to see me and see how I was doing. You touched the lives of many and will always be in our hearts.

To his mom, you raised a great son and you deserve credit for that. Your son is shining more than anyone would have ever thought. We will see him again someday but until then he lives on in many hearts. And to Montrel, Finis, Tauren, Jerome and others be there for each other and keep his dreams alive, be strong and take care of Ms. Denise she needs all of you.

Jimahle, to close this page is like saying goodbye but its never goodbye, just see ya soon. Love always, Mrs.Ayala

“ It makes no sense that an innocent young man had to leave this earth entirely too early. It has to stop! Our black brothers are cancelling one another out, and they have no clue. There has to be a way to put a stop to all of these senseless murders. We must pray. Pray that God will put a stop to this foolishness. To the Donald family, I do not know you, and I didn't know Jimahle, but from all of the good things people have said about him on this page, He must have been a great person, my heart goes out to you all. I am praying for you, that God will give you the answers you need, when you begin to ask why, I pray that God will hold you when you begin to break down, and I pray that God will Heal you, throughout your time of sorrow. Please try to stay encouraged.

not for one day
but for forever
all i have is memorys
of when we were together

wishing you were with me

For someone reason, I always thought that you had more of a reason for living than I did. I tell everybody that "That should've been me." Every body tell me not to say that. I know inside myself that it was supposed to be me. I seen da autopsy pictures. That shit haunt me in my sleep. Seein you on dat table... naked and gone. I seen it all my nigga. I lost everything. MY HEART, MY NIGGA, MY BROTHER, MY CONFEDANT, MY COMEDIAN, MY SPIRIT..... AND MY CROWN(?) A lot of people may ask what that means. If you know me, you know that I call myself da king. I got something funny bro. Nigga I swear I hate typing but everytime I get to typing on this, shit it don't even matter. But look nigga, u remember how my pops talk right? Nigga Pops got to snappin yesterday. He was like " I get tired of these bad ass motherfuckin kids runnin round my goddamn house. Need to get da fuck little bad ass bastards." That nigga was snappin. The girl said "that's why you stupid" Mt daddy said "Well get ya bad ass da fuck out my house". I know it may sound funny but I'm almost in tears. Funny stuff hurt now. It hurt cause I can't call you and tell you. I wrote a couple songs for you. Everytime I write one for you, I grab a picture of you and rap it to you. I them got so confused I don't even know how to feel. I don't know wheter to be happy or sad. Everybody tellin me to be happy but honestly, they don't know me dog. Since u left, I feel more responsibility. I'm gone take care of ya mom bro. THAT'S WHAT REAL NIGGAS DO, RIGHT? Matter of

“ *Jimalhe, I am so alone! I can't beleive you're gone that soon. It was like yesterday when I just seen you. I been going though things ever since you left me. You was the last person I thought would leave so soon. You were so sweet, you were my everything and now you're gone. I sit everyday thinking about you and everything we had.Why this had to happen to you. I sit crying every now and then, but like they say you gone to a better place. People say that you die because God wanted you home, but why so soon. I know you ain't suppose to question him why , but I am because that was to soon boo. Well, it's all over now but the pain will always remain. I LOVE YOU AND WILL ALWAYS!!!!!! Your #1 Honey Dip as you always told me.*

“ *Jimalhe when I heard the words he was gone i dropped 2 the floor in tears. Wondering why you, what did u ever do wrong. But i began to realize God toke you to heaven 2 be with him for a reason. He wanted 2 see how it was to be your friend or see your sweet smile, and kind gestures. God pick a person to take him to heaven and thank him that it was you. I'm sad to say can barely put up with it but I Love You and will always. I may miss u and cry at times but i know u are catching my tears.*

Love you, but we will meet up again. Soon i should say, see you later Mal

“ Man, my arm hurt dude. I went and got you tattooed on my right arm. It's a story behind everything on my tattoo. I put it on my right arm because you know that you my "right hand man." I put it in the middle of my arm because no matter how good or how bad things got, you was always there in the "middle" of everything. You might say "This nigga could have put me on his back or something." Let me explain. I thought about puttin your face on my back but i changed my mind after me and my brother D talked. He told me that you can only "carry a problem on your back" for so long. After a while, it gets too heavy to carry. I decided to put you on my arm. that way if the problem get "too heavy", I can lift it and get stronger. My girl told me that I might not want that tat 4 da rest of mt life. The reason I got the tat was to have you wit me FOREVER! (That's another story) U was supposed to be wit me so why not put you on me?? I know it's my responsibility to carry you. I'm just doin my job! At the bottom of mt tattoo it says "Brothers Forever". This makes remember how we ARE! The word "are" is capital because ain't nothin changed. Just cause you gone, don't mean that you all of a sudden ain't my nigga!!!! BROTHERS FOREVER! THAT'S REAL! Everybody been tellin' me that I'm a "real friend" cause I got that tattoo. I WOULD BE REAL WITH OR WITHOUT A TATTOO! I put you there, not for sympathy, but so that I could have yo wit me. You know what I say "REAL NIGGAS STAY REAL AND FAKE NIGGAS SKATE." I'm in it for you. I'M WIT YOU FOREVER!

“ To my dearest family, some things I'd like to say... but first of all, to let you know, that I arrived okay. I'm writing this from heaven. Here I dwell with God above. Here, there's no more tears of sadness; here is just eternal love. Please do not be unhappy just because I'm out of sight. Remember that I'm with you every morning, noon and night. That day I had to leave you when my life on earth was through, God picked me up and hugged me and He said, "I welcome you." It's good to have you back again; you were missed while you were gone. As for your dearest family, they'll be here later on. I need you here badly; you're part of my plan. There's so much that we have to do, to help our mortal man." God gave me a list of things, that he wished for me to do. And foremost on the list, was to watch and care for you. And when you lie in bed at night, the day's chores put to flight. God and I are closest to you....in the middle of the night. When you think of my life on earth, and all those loving years because you are only human, they are bound to bring you tears. But do not be afraid to cry; it does relieve the pain. Remember there would be no flowers, unless there was some rain. I wish that I could tell you all that God has planned. But if I were to tell you, you wouldn't understand. But one thing is for certain, though my life on earth is o'er. I'm closer to you now, than I ever was before. There are many rocky roads ahead of you and many hills to climb; but together we can do it by taking one day at a time. It was always my philosophy and I'd like it for you too... that as you give unto the world, the world will give to you. If you can help somebody who's in sorrow and pain, then you can say to God at night....."My day was not in vain." And now I am contented....that my life has been worthwhile, knowing as I passed along the way, I made somebody smile. So if you meet somebody who is sad and feeling low, just lend a hand to pick him up, as on your way you go. When you're walking down the street, and you've got me on your mind; I'm walking in your footsteps only half a step behind. And when it's time for you to go.... from that body to be free, remember you're not going.....you're coming here to me.
