“ *My family and I are so sorry for your lost. She will be truly missed. she was an asset to the congregation. She was in our book study at the hall. She was a loving, caring person. She loved her God Jehovah and she did everything she could to please him. Now she is resting waiting to awaken from sleep, to a paradise earth where there will be no more death, mourning, outcry nor pain anymore. The former things has passed away. Rev. 21:3 I pray this will comfort you.*

“ *I'm very sorry about the death of Sister McAfee. I think I may have known Sister McAfee for as long as I've known the truth. It's such a good thing to know the truth, to know that although we do experience the pain and sting of death in this life, Jehovah has promised so much more in the life to come. Sister McAfee knew and believed in the resurrection hope. As she rests, awaiting the time when all things will be made new, we must do what we know we should be doing so that we can be there to see her again. Our prayers are with all of you, her children and friends, during this difficult time.*
