“ brad i'm sorry to hear about the loss of your father my heart aches for you at this time. it wasn't that long ago when my mother passed away and i remember when you made a uneasy comment about her not knowing she had recently passed away, and from that moment forward you and i have developed a friendship. i know the pain you are feeling now but there is no pain that god can't heal. i will lift you and your family up in prayer. your old friend from wendy's on bay road.
