“ *My Uncle Joe was the most important person to Me in my family. I always had such a great admiration for him. I want to be like My Uncle more than any other family member , and our relationship to me was a Treasure and a Great Blessing! This Man would do anything and everything if possible for his Nephew Mark! Being selfish I have always thought that I was his favorite Nephew and the honest truth He Was My Favorite Uncle. I wanted to see you and spend some time with you before you left..... BUT your name was called to come Home, and I'm so SADD Today. I'm going to FOREVER Miss you! I LOVE YOU.....*
