“ Our family would like to extend our sympathy for the lost of your loved one.
May you find great comfort in the Bibles promises found at John: 5; 25-28, there Jesus shares the promise of the resurrection. The word promise, carries the meaning of a declaration or assurance that one will do a particular thing or that a particular thing will happen. That word can be used the same as "guarantee or pledge". So we have a guarantee from Jesus of the resurrection and the hope of seeing our loved ones again.

“ My prayers are for John Falls family. We grew up together on second street back in 1957. We lived across the street from each other. Joyce was closer to my age. John was always pleasant and wore a beautiful smile. Just take one day at a time and Hog will strengthen everyone. John will always be in your hearts. He was a good man and had a good sense of humor.

“ *John Falls' passing Friday is a significant time for Denise, and so of course for myself. Dee and the Culpepper family grew up directly across from J.W. and the Falls family on North Second between Kirk and Norman streets. Faye and Sarah and Christine and Joyce Ellen (deceased) are among my wife's best friends, along with Bennie. She also was close to Mrs. Katherine Falls, and J.W. was like an extended brother to her going back to childhood.*

The last time we were with John was when he cooked and served fish for two hours straight at our yearly Fourth of July party six weeks ago. Most everyone asked over and over for seconds and thirds. Nobody fried fish better and served them more generously than J.W., as we can attest from the times we were privileged with invitations to attend his own home cookouts. For nearly 10 years, we joined his family and friends for group camping trips to Caseville, which we always enjoyed except for the one year that we got severely rained out. The camping trips were one of his forms of guiding his children, and other young people.

Myself, I first met J.W. through his work for all those years at CAC, and later at City Hall. It's very significant that he passed during the weekend of the African Cultural Festival, which he supported so loyally year after year, helping to lead the grounds crew, staying quietly in the background, as usual. A very strong person and a community leader, not much of a talker but a genuine do-er.

We'll miss you, J.W. but you will always live in our memories. RIH, John W. Falls.
