“ *Sorry about your lost. I'm very grateful, to have know a good man. I shared Mr. Shivers last moment with him and the family. We laugh, cried, talked, and shared many knowledgeable conversations with a man that had good a very good memory. The day I remember we had a conversation about how he needed to be around to walk his gran-daughter down the aile, and I was going to come and take walks with him up and down the drive way. I will never forget the conversations me and Mr. Shivers had. Love you miss you but you will never be forgotten. Hang in their family, when you start to miss your husband, father, and the best friend of each and every family person think about the funny things Mr. Shiver said and share that knowledge with someone else and he will always be around.*

“ Mrs. Martha, Betty Ann, Marie, Jonathan, Chris and Harry and the rest of the family, you have my deepest sympathy. Mr. John was one of the best men I know. He was so kind and so loving and a complete family man. Always a smile and a kind word for everyone. I never saw Mr. John mad in all the 20+ years I knew him. I thank all of you for making me a part of your family and wish I could be with you for the celebration of Mr. John's life. Be strong and remember that God loved him more and take comfort that he will suffer no more pain but have joy in the morning. I love you all.
