“ My uncle was truly a man of his word! I remember my uncle would tell me, one day your gonna love someone more than yourself. I never understood him because I was always stuck on myself. Until February 20,2008 ,i had my daughter, making him a great uncle, I told him, I see what you mean uncle Pee-wee and he said "And I thank you for making me greater" lol. Love you and we will miss you.
