“ My deepest sympathy to the family of Bro. Salter for your loss, for we here at New Mt. Calvary share in your loss. Bro. Salter was a quiet yet sweet and loving member of New. Mt. Calvary - he will be missed from sitting in the back praising the Lord with choir and saying "Amen" when Pastor Donald preached. On behalf of the Welcome Ministry of New Mt. Calvary our prayers are that you will look to the hills from which cometh all your help and strength and they both come from the Lord.

“ Johnnie was many things to many people and he helped in many change the way people feel about those who are different from another. Such his aspiring speech on SCCMHA "One In Five" video, his great attitude as a peer advocate for Bayside Lodge, supervisor of a local drop in clinic, security guard for SCCMHA, CLAC Chairman and 2004 SCCMHA Everyday Hero. For all this in more we will remember him in hearts and more. He knew well that to get somewhere in life you must first believe in it. He is now with another great friend of mine his Thomas Joseph Wasco Jr. and they both looking down at us and hoping we to make a difference.

“ May God Bless the Family of Johnnie Salter. I've known Johnnie since grade school and he's always been a kind & loving person with a big heart. He was very Knowledgeable in many ways. Johnnie worked as a parking lot attendant at Mental Health. It'll be strange not seeing him riding around the parking lot every morning checking stickers. Dedicated to his family & friends Johnnie leaves a legacy for all who feel as though having a disability limits your movement, Johnnie taught us it can only limit your thinking. If you can believe you can achieve. Rest in Peace my Friend.
