“ To the family and friends of Mr. Johnny Williams, may all the memories be embedded in your hearts and minds as the days, weeks, months and years go by as you draw close to God and He will draw close to you.- James 4:8. And in the very near future love ones like Mr. Williams will be seen again for the scriptures promise... " Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practice vile things to a resurrection of judgment. - John 5:28, 29.- What a beautiful hope in the future!.- Being- with love ones again. -- www.jw.org

“ So sorry to hear of the passing of your loved one. He was a good person who loved his family. He always had a kind smile on his face and some words of wisdom to pass along. I knew him from teaching his kids at Stone School. Mr. Williams was a very supportive father who wanted the best for his kids. He will always be remembered for his kindness and smile. He was a friend of my late husband, Melvin McKandes Sr., who thought highly of Johnny and shared a few jokes with him. They were comical together. He loved and enjoyed life and doing family things. He will be greatly missed by all those who knew and loved him. You loved him but God loved him more and decided it was time for him to come home and rest. God bless each of you and remember that he will see you through this moment of bereavement. Mrs. Audrey McKandes

To Brenda and Family,

I can remember meeting Johnny Williams when our kids were in grade school. He always was laughing and had something funny to say. When kids remember a person and talk about how much they liked him you know that person made a good impression on them. I will not be able to be with you to celebrate Johnny's homegoing but my prayer for each of you is that you are able to remember the special times that you spent with him when you are missing him the most. My love to you all.

“ *Johnny Williams, will always be remember as an out going person. He did not meet any strangers, and he was willing to do anything for you. He had a faith that said, nothings going to keep me down. He had a hug for you all the time. My deepest sympathy goes out to his wife and children. May they find comfort in knowing, "he loved the Lord." So as the Our Lord and Savior Jesus Christ receives him in heaven, we must look forward to seeing him again. May you experience the goodness of the Lord in your daily walk with him. Surely Your goodness and love will follow me all the days of my life...Psalm 23:6a (NIV) With much affection and love! Viola Gaines-McMillon.*

Sister Williams & family, Please accept our heartfelt sympathy. Brother Williams always took the time out to acknowledge my entire family with a smile, hand shake or hug. He was truly a solider. He also said, "It's up to Him". He was grateful for "all" God had done for him. Keep all of you in our prayers.

“ *Brenda, children, family, my deepest sympathy. My heart wept when I learned that Deacon William's had passed. All though he was ill, he kept a cheerful attitude and always made you laugh. A kindhearted man, Deacon Johnny would give you the shirt off his back or his last. Drive any where with you to check a car out for you. Help you anyway he could. The last time we talked he was telling me things will be alright, situation excellent, God's got this. That was Deacon Johnny Williams. He will truly be missed.*
