Boy I'm nervous everyday, I'm not sure if I can come and see you again like this. I love you with all my heart, it's hard to sleep knowing that you were so close to home when you left.

Seems as if you can walk around to the front door when ever you want. I'm nervous coming in the house and nervous going out or even coming home.

i don't know what to do or say anymore, I can't sleep at night anymore. I'm sad and will be for a long time, nothing matters much anymore right now, there is a hole here and it is empty.

My best memories are of you dancing, hitting the Quan and doing it backward, making videos. Love you and just want you to be safe, Love Grandma, Nancy

I still see him as such.. i can remember baby sitting the boys and boo and the boys would want to play this game where we were spider man in the dark.. the crazy thing is that he was so quite that we never knew if he was actually playing. There so many things I remember but the last would be me telling him I love him and him saying he loved me too..*
