“ How time move and in a blink eye we're not the little children playing at the Williams House. We have so many memories with this/Our Family, because that's how the Williams treated us like family. If they children got the switch you best believe we did too by Joe. Family sorry about Mr. Williams-truth and believe he had a great life. May God extend his everlasting arms around this family and I'm praying for the Williams and Taylor Families and Extended family.
