“ *To The Lee Family. I am so sorry for your lost. Joysie (Baby Sister) will be miss. I remember when we were little girls running down 4th street. May GOD put his arms around your family at a time like this.*

“ *Joysie,*

I love you so much, I am going to miss all the fun times that we had together.

No matter how much I teased you, you never let it bother you. When you were not having a good day or not feeling well you nevered complained.

It is very difficult for me not having you around to talk to any more. I can not seem to stop crying, I know that the bible states, " weeping will endure for a night, but joy comes in the morning." I know that you are looking down at me saying, "girl stop that crying, I am ok." I am happy that you are not suffering any longer, and that you are with your heavenly father.

May your soul rest in peace, you are physically gone from my life. But the memories will last forever in my heart. Love you forever.

“ *To the Lee family,
May God console you through these difficult times. Trust in Him and
lean not unto your own understanding. He has a plan for us all. We
may not know or understand: but God in His infinite wisdom knows
what is best for us. Look to the hills from whence cometh your help;
your help cometh from the Lord. You are in my prayers.*

“ Joysie,

It is so hard to go on without you! It doesn't seem real. It has been a week since you left us. I last spoke with you on Sunday, September 2nd around 10:00, you were tickled about little Michael, and you always joked about him. I am so sorry that you will not be around to be with him as he grows up, like you were with his father, you would have been a truly "Great Aunt" to him. I Miss you so much, it is so hard to bear, but I know we must go on. I am so happy that I was able to spend some quality time with you and mama this summer. I will check on your one and only child (Eric), the love of your life, and he will check on your two grand children; I am glad you spent time with them this summer. We had a great time at mama's birthday party this year. Mama, your siblings, son and family will cherish that happy time forever in our hearts. Mama miss you so much, her heart is truly broken. All of our hearts are broken, it does not seem real that you have been taken away from us, but God knows best. Knowing you, I know that you would not want us to be so heart broken. I pray that he will comfort us and keep his arms of comfort around mama and the rest of us.

Joysie, we must let you go, and we pray that the Dear Lord is granting you Sweet Rest until we meet again.

Love and miss you so much sister!

Frances, mama, brothers and sisters, son and rest of family.

“ Joysie we miss you so much. I'm very glad to have had a sister-in-law as sweet as you. Joysie you got along with everyone. I never heared you complain about anything. But, when me & Frances was messing with you at momma house telling you that momma said to do this. You said i'm tired and that wasn't a complaint it was a joke. I very glad that you got the chance to meet your 3rd great niece at momma house. Maybe that's why Ji'Miyah pulled your hair maybe she knew that the lord was getting ready for you to come home. Joysie I just want you to know that we your family will look out for (Eric) and your Grandkids. Joysie this is very hard on the family. But God is going give us all the strength and make us strong.
