“ To the Allen Family: to this day it still does not seem that she is gone but just away visiting someone elsewhere. She is surely missed to this day but she would want us to carry on and make it a point to be saved and baptized in Jesus' name. This was her life and she wanted the same for others. Truly she loved the Lord very much and this was her talk to any one. God is able to see us through each every day and without Him you will not make it. LOOK TO JESUS!!!!

“ Trina, Steve, and rest of family members. I'm so sorry, but words can never express how I feel that Mrs. Allen had to leave us, she was like a second mom to me especially since my mom passed away 2 yrs ago. She will always be in my thought and always in yours, She was kind, sweet and a very loving lady that I enjoyed having the pleasure of having in my life, she never looked down on you, and never had a bad thing to say about you, she accepted you as you are, and just prayed for you. I will miss you very much, but never forget your kind words and voice that you spoke to me when I called or came over. LOVE AND MISS YOU VERY MUCH.

“ *My mother-in-law was very special to me. I will greatly miss her. When I married into her family she accepted me right away with open arms. I love her for that. I have many special and fond memories that we (her and me) have shared that I will hold onto for eternity. If I could turn back the hands of time she would be right here with us. I know that we will get through this difficult time because it is what she would want us to do. To be strong and to carry on our lives to the fullest potential. I love you momma.....*

Be encourage to know that God is still on the throne & when it's our time He will lead us all home. My prayers are with you....
