“ To Yvette and family...

Juanita...

A true Grandmother...kind, loving unconditionally. I am so grateful to have shared our granddaughter Naija, with you. I still laugh when I think about the time someone asked you, if you had a picture of her 🌸 you pulled out this billfold and proceeded to show not just one picture 😊...but a whole bunch of pictures.

Will see you again...

Love forever

“ Juanita will always be in my heart ❤️ I will always remember her kind spirit, smile, laugh. And how she always called Yvette “Petunia”.. we had the best times whenever we were together. I won’t forget the year she and Yvette drove down to ATL to visit us and she made her famous pineapple upside down cake. It was my favorite! We will miss her dearly.. I will pray and look forward to the day we will meet again, when death will be no more. Rev 21:4 Love you!
