“ *If tears could build a stairway and thoughts a memory lane. I'd walk right up to heaven and bring you home again. No farewell words were spoken. No time to say good-bye. You were gone before I knew it. And only God knows why...*

“ *A sister's Love*

A sister's love is special

*in oh so many ways
Now miles stretch between us
and minutes turn to days.*

*We've shared so much as children
the tears, the joys, the pain
A lifetime spent together
those memories remain.*

*In times gone by we've pondered
the paths our lives have taken
Knowing that in spite of this
our sister love unshaken.*

*A sister's love is special
in ways that are unspoken
Still that binding force exists
our sister love unbroken.*
