“ *This is such a tragic and untimely loss. It's never easy to lose a loved one and a mother (your POO) is so precious and dear. God Will sustain you and will take care of you. He is carrying you right now. You have our prayers and our deepest sympathy. We love you and are here for you. You have but to call. God sends his angels to help you through and after difficult times like these and don't ever forget that.*

unchanging hand.*
